

LoginRequiredMixin

FormView

students.views.StudentFeedBack

```
graph BT; A[students.views.StudentFeedBack] --> B[LoginRequiredMixin]; A --> C[FormView];
```

The diagram illustrates a class hierarchy. At the top, there are two boxes: 'LoginRequiredMixin' on the left and 'FormView' on the right. Below them, centered, is a box labeled 'students.views.StudentFeedBack'. Two arrows originate from the bottom of this box and point upwards to the bottom of the 'LoginRequiredMixin' and 'FormView' boxes, indicating that 'students.views.StudentFeedBack' inherits from both.
